Purpose:

By this advice letter, California American Water requests authorization to revise its Monterey Wastewater tariffs. The changes are:

- Add the following tariffs:
 - Create new Schedule SP sheets (1-2) to replace sheets (5-6).
- Delete the following tariffs:
 - Sheets (SP 5 and 6) are being deleted and consolidated with existing sheets (262-S and 263-S).
- Modify the following tariffs:
 - Changed “LIRAP” acronym to “LIRA” to be consistent with other tariffs.
 - Updated CEBA rate in Schedule SP tariff sheet which was inadvertently not updated with the previously approved and properly billed rate.

The above changes do not impact authorized rates and all customers were billed correctly with respect to the modification addressed above.

Background:

In an effort to maintain accurate tariffs, California American Water will continuously review its tariffs to identify tariffs that need to be added, deleted and modified.

Request:

California American Water is requesting authorization to update the Monterey Waste Water District Tariff Area as set forth above.

Tier Designation:

Notice

Per guidance from the California Public Utilities Commission’s Water Division, during the COVID-19 pandemic advice letters will only be delivered electronically to the service list. Hardcopy advice letters will be mailed as soon as administrative staff are able to return to California American Water offices.

RESPONSE OR PROTEST¹

Anyone may submit a response or protest for this AL. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

A **response** supports the filing and may contain information that proves useful to the Commission in evaluating the AL. A **protest** objects to the AL in whole or in part and must set forth the specific grounds on which it is based. These grounds² are:

1. The utility did not properly serve or give notice of the AL;

¹ G.O. 96-B, General Rule 7.4.1

² G.O. 96-B, General Rule 7.4.2

2. The relief requested in the AL would violate statute or Commission order, or is not authorized by statute or Commission order on which the utility relies;
3. The analysis, calculations, or data in the AL contain material error or omissions;
4. The relief requested in the AL is pending before the Commission in a formal proceeding; or
5. The relief requested in the AL requires consideration in a formal hearing, or is otherwise inappropriate for the AL process; or
6. The relief requested in the AL is unjust, unreasonable, or discriminatory, provided that such a protest may not be made where it would require relitigating a prior order of the Commission.
7. A protest may not rely on policy objections to an AL where the relief requested in the AL follows rules or directions established by statute or Commission order applicable to the utility. A protest shall provide citations or proofs where available to allow staff to properly consider the protest.

DWA must receive a response or protest via email (or postal mail) within 20 days of the date the AL is filed. When submitting a response or protest, **please include the utility name and advice letter number in the subject line.**

The addresses for submitting a response or protest are:
